AutoCAD Electrical AntiVirus Protection AutoCAD 2011 Update Pro AntiVirus Protection AutoCAD 2012 Update Pro AntiVirus Protection AutoCAD 2014 Update Pro AntiVirus Protection AutoCAD 2016 Update Pro AntiVirus Protection AutoCAD 2018 Update Pro AntiVirus Protection AutoCAD 2019 Update Pro AntiVirus Protection AutoCAD 2019 Suite AntiVirus Protection AutoCAD 2019 Professional AntiVirus Protection AutoCAD 2019 Standard AntiVirus Protection Toggle AutoCAD AntiVirus Protection and see which version you have: This is the most popular and trusted software by Autodesk. However the version number may vary depending on the different Autodesk variants. See the 2nd point, there's a problem in the installation of your Autodesk software. I recommend you to uninstall all your Autodesk software and start a fresh installation,. If you have tried all above solution and your antivirus program still catching the acad.exe with Virustotal, then it means you have malware in your computer. It is an educated guess, but it maybe a trojan or a worm, which is very hard to remove, usually it is really not easy to get rid of. Download System Mechanic and scan it for you: This software works as an anti-malware scanner and cleaner, it will remove all Malware threats, also it will scan all system components for any changes made by virus', malware, spyware or adware. Remove Autocad Anti-Virus Protection Here are the steps: Note: All the steps are presented in a tree and you will find your antivirus software in the middle of the tree. Enter into the antivirus software folder:. Open the Windows menu and choose Run, then type in cmd and press on OK. Then go to the antivirus software folder:. Type in there:. If you have 2 antivirus programs in the tree, you can open them both, I recommend you to open only 1 at a time and you will see which one catches the acad.exe, if the antivirus programs do not show you any matching for this file, then it means the file acad.exe is not being caught by the antivirus programs or virus was not installed properly, try to reinstall your antivirus
